

APC Worship Survey Results Overview

Thank you to all of the APC members who took part in our recent worship survey. Overall, the responses were positive.

We received many favorable ratings on a 5 point scale. Most notably...

"Our worship services embracing all people" (4.39)

"Fulfillment of our Mission Statement" (4.37)

Mission Statement: We are called to be a Christ-centered family of believers, committed to growing spiritually, worshipping joyfully, and sharing God's love daily.

"I look forward to attending worship when I'm able" (4.28)

96% of respondents felt welcomed by greeters and ushers, 88% felt welcomed by other members of the congregation, and 84% felt welcomed by pastors and worship leaders.

There were a few areas that stand out where the worship committee and pastors will consider making some adjustments. They include:

- Adding more of a mix between sermons based on lectionary and having sermon series
- Adding more of a mix of contemporary and traditional hymns
- In addition to traditional worship, consider adding a different approach to worship that targets youth and young adults.

Additionally, 41% of respondents used the open-ended comments field to provide additional commentary and recommendations. The most frequently commented areas were:

- Suggestions for the music ministry
- Sermon recommendations for the pastors
- Additional service ideas
- Youth ministry
- Requests for return of the 8:30 service
- Praise for our pastoral staff
