A. Executive Summary

Alpharetta Presbyterian Church (APC) supports a wide array of activities, meetings, and functions for member, non-profit, childcare, and outreach organizations. This includes an active community theater, day school, scout home, recovery group meetings, civic organizations all in addition to being a center of worship, spiritual growth and youth ministry for its congregation. The result is that APC's facilities are in constant use seven days a week both day and night.

The purpose of the Facility Use Policy is to communicate processes and procedures necessary to be good stewards of God's facility that is in such heavy demand. This stewardship has many dimensions but it primarily involves providing a safe and well-maintained facility that allows the church to carry out its mission.

The policy is not intended to be a deterrent or obstacle to use of the facilities; in fact, it is quite the opposite. We are delighted that APC is woven into the fabric of the local community and believe this is a vital part of our mission. The policy is simply intended to clearly communicate how the facility can be used and any associated expectations and requirements.

The key principles of the policy that everyone should be aware of are:

- APC does not restrict use to members only, but there may be preference given to members
- APC is generally available for non-profit use only. The Session can make exceptions based on activities it deems to be consistent with the church mission or to the benefit of the Church.
- A Facility Use Request and Agreement form is required for all groups (annually renewable) for them to be permitted to meet.
- Only specific parts of the facility are available for certain functions – not all of the facility is made available.
- There are fees associated with the use of facilities by outside (non-APC sponsored) organizations.
- All activities must be on the church master calendar and cannot be changed without church office approval.
- Organizations that do not abide by the agreement risk forfeiting their permission to use the facility.

Organization leaders must read the policy in its entirety prior to returning the Facility Use Request and Agreement. In case of an emergency, we strongly suggest any others involved also read the complete policy.

B. Guiding Principles

God has richly blessed Alpharetta Presbyterian Church (APC) with beautiful facilities for its mission and ministry. The primary purpose of these facilities is to provide a place for the worship of God, a place where people can learn of God's ways and his will, and where God's people can enjoy Christian fellowship. Our buildings exist for the same purpose that we as individuals exist – The mission of Alpharetta Church is – “We are a Christ-centered family of believers committed to growing spiritually, worshipping joyfully, and sharing God's love daily.”

The four principles of stewardship guiding APC in the use of its facilities:

1. The buildings of APC do not belong to any group, individual, or even to the congregation. They belong to God. God has entrusted us with the use of these facilities and thus they must be maintained and cared for in a manner that would be pleasing to the Lord.
2. As an entrustment, God does not want us to hoard the facilities, or to keep them only for ourselves. He wants us to share what we have with others who also want to advance the Kingdom of God, and to help the children of God.
3. All visitors are to be treated as honored guests and welcomed as we would welcome Christ, by providing a safe and clean environment.
4. Wise stewardship of God's possession is expressed through energy conservation, cost reductions, and properly protecting against loss or misuse.

C. General Use Policy and Priorities

APC grants the use of church facilities to community groups and organizations whose purpose is to the betterment of the individual or the church as a whole, through fellowship and education consistent with a Christian place of worship.

Facilities are not available for the following purposes/categories:

1. partisan political functions
2. religious events inconsistent with the mission of APC as determined by the Session

Facilities are also generally not available for commercial (for profit) use with exceptions requiring Session approval.

The fact that a group is permitted to meet at the church does not in any way constitute APC's endorsement of the group's policies or beliefs. Any permit to use church facilities is revocable and non-transferrable, and the church or its authorized agent may reject any application or cancel any permit.

All applications are tentative until approved. When applicants' requested use of the facility conflict, permission will be granted in the following order or priority:

1. uses and groups directly related to APC
2. uses and groups/organizations indirectly related to APC
3. order in which requests were made
4. church staff will make decisions in the case of space conflicts

Though exceptions may be made upon request, groups or organizations seeking use of APC facilities will be assessed a fee to cover any costs or expenses for making the facility available. The fee is due and payable in full when the event is confirmed by the church and placed on the calendar. The fee will be fully refundable if the event is cancelled by the group/organization and the church office is notified a minimum of one week prior to the event. Events cancelled less than one week prior will be assessed a setup fee and refunded the balance. Refer to Section J – Fee Schedule for details.

Weddings are an exception and do not need to be paid in full at the time the church is reserved. A deposit can hold the church with the balance being due not later than two weeks before the wedding. Refer to Section J – Fee Schedule for details.

All groups/organizations authorized to use the facilities on a recurring basis must reapply for use of the facility annually during the month of January or August, depending upon the group.

D. Available Facilities

Specific areas of the Church are available and each is appropriate for specific types of functions.

1. **Sanctuary** – The sanctuary is available primarily for weddings, funerals, and concerts, but occasional exceptions may be made for formal events.
2. **Fellowship Hall** – APC’s fellowship hall is a flexible space that can serve many diverse needs. It can be configured for dining, as a classroom environment, and for theater –style presentations. The Fellowship Hall is available for non-member rehearsal dinners and/or non-member wedding receptions.
3. **Kitchen** – The APC kitchen is adjacent to the fellowship hall and is professionally equipped for serving large groups. It is permissible for groups to use the kitchen but they must adhere to specific rules as stipulated in Section H – Facility Use Guidelines. The church has a working relationship with a private chef who is available for hire.
4. **Gym** – The Church gym can be configured as a gym or for presentations with theater style seating.
5. **Adult Classrooms** – A number of classrooms are available that are appropriate for small to medium size groups. Staff can recommend the room with the most appropriate configuration based on the organization’s needs.
6. **Theater** – The APC Theater has a stage and lighting appropriate for small productions and will seat audiences up to 60.

Facilities Not Available

The following facilities are not available for use:

- Day School classrooms in the Christian Education wing
- Music rooms including musical instruments
- Day School kitchen/pantry facilities
- Church offices
- Alpha and Omega Trailers

E. Facility Fire Safety & Building Security

APC is required to meet and maintain compliance with the Alpharetta fire code. This included the maintenance of proper signage, smoke detectors, commercial sprinkler system, and unobstructed exits and stairwells. As per the Alpharetta Fire Marshall, nothing may be stored in any stairwell, even temporarily.

APC is a **No Smoking** facility and property. Smoking is not permitted anywhere on the property including outside any of the buildings.

The single lane, circular drive at the front of the property is an Alpharetta Fire Marshall designated fire lane. As such, parking is not permitted anywhere along the curb on this single lane, circular drive. In the event of a fire, obstruction of the fire department could seriously restrict fire department access and potentially endanger lives.

No open flames of any kind, including candles are permitted in any part of the facility, with the exception of special permission for weddings and other special events in the building as indicated in Section H (Facility Use Guidelines) paragraph 14.

APC operates a Day School. For the safety of the children, access to the facility must be restricted. Throughout the week, the only doors that are permitted to stay in an unlocked and open position are the awning-covered double doors leading to the main hallway for the church offices and the doorway opposite the awning-covered double doors leading to the walkway to the day school entry doors, and the upstairs doors on Academy Street when staffed. Other doors throughout the property may be used by persons possessing keys but are not to be set in an unlocked position or blocked open.

Emergency exit plans are located inside each classroom.

Safety/emergency first-aid kits are located in the church office (under the sink), in the Fellowship Hall storage room, in the kitchen (2), in the church workroom (pre-school wing), in the CE kitchen, the CE music room, and in the Youth Ministry Lounge.

Defibrillators (with attachments for use with children) are located on the wall outside the church office and the Youth Ministry Lounge.

For Handicapped and elderly requiring easy access to classrooms on the upper level of the church, APC maintains an elevator.

Since the building is no longer accessed via exterior door keys, people who need access to APC outside of normal hours may obtain a Card Access Key by filling out the appropriate form obtained from the Church Office. The key cards can be programmed to open certain doors during specific times and may be deactivated if not used appropriately. They are not to be shared with anyone other than the person to whom the card was assigned. If the card is lost, APC should be notified immediately so it can be deactivated. If a new key card is needed, a fee of \$10 will be assessed.

On Sundays, the property committee is responsible for unlocking/locking both interior and exterior doors on the entire property. The “card access doors” are on a timer and will automatically open and close at programmed times.

The APC Property Manager is responsible for locking all exterior entrances to the facility at the end of normal office hours. The APC Property Manager will inform the primary contact for the last organization using the facility (based on the master calendar) that they are responsible for locking specific exterior doors at the end of every evening.

The facility curfew is 11:00 PM. All organizations and persons making use of the facility must leave the facility by then, unless granted special permission by the Property Manager.

The facility is alarmed and monitored as well as covered with a video surveillance system. The only persons permitted in the facility or on the property without special permission of the APC Property Manager between 11 PM – 6 AM are the cleaning crew.

Below is an abbreviated checklist for locking up after an event (worship, afternoon/evening event, wedding, etc.).

Locking Up

1. All “card access doors” are on timers.
2. Make sure all exterior doors (in the Narthex area, Educational wing, kitchen, Fellowship Hall, and upstairs) are closed and locked.
3. Turn off Handicap Door automatic access in Narthex.
4. Make sure the interior card access door and regular door to the educational wing at the awning door hallway are closed.
5. Close these ***interior*** doors and make sure they are locked.
 - Interior door in the Educational wing that exits to the west parking lot
 - Interior door close to the elevator in the Educational wing
6. Turn off **ALL** lights. Only the lights in the stairwells will stay on.

F. Offsite Property Use Policy

APC property is not available to be borrowed for offsite use by either members or non-members regardless of private or public nature of the event. This includes but is not limited to the following:

- Audio Visual Equipment
- Computer Equipment
- Kitchen Supplies & Equipment
- Tools & Ladders
- Office, School and Cleaning Supplies
- Furniture
- Musical Instruments

An exception is for members who may request to borrow folding metal (not padded) chairs and tables for use offsite by church sponsored organizations/events or individuals provided the following conditions are met:

- A Facility Use Request and Agreement is filled out and approved by the APC Property Manager for the quantity and requested date(s).
- An APC member must sign the Facility Use Request and Agreement as the responsible party regardless of their personal involvement in the offsite event.
- The responsible APC member must arrange and supervise the pickup and return.
- The responsible APC member understands that failure to return the tables and chairs on time may impact other scheduled functions and use of the property.

Special exceptions may be granted for APC property other than folding chairs and tables at the discretion of the APC property committee and/or Session.

G. Child and Youth Safety Policies and Procedures

APC maintains a Child and Youth Safety Policies and Procedures for groups who use the facility. The policy is designed to protect children and youth in our community from sexual and/or physical abuse. The complete policy for all groups using our facility can be found on the website at www.alpharettapres.com under the heading “About Us” and scroll down to the Documents Library.

H. Facility Use Guidelines

Any group or organization using the facilities at APC will be required to sign a Facility Use Request and Agreement (Appendix A) that includes the following policies and conditions. Failure to abide by this policy will cause APC to deny access to that particular group or organization.

Policy and conditions for use of APC facilities:

General Information

- 1. Persons requesting use of the facilities must be at least 18 years of age.** If applicant is not an APC member, picture identification will be required. References may be requested prior to confirmation of facility reservation. Usage is subject to approval by the Session. *[Ref. Section C,]* The facility is not available for use during holidays observed by the church (a list of holidays can be requested at the church office). There is no guarantee, or right to use APC facilities by any non-APC ministry group. Applicant agrees to leave the facility in the condition it was found. Insurance and security deposit requirements are waived for memorial services. (See further guidelines below.) Group/organizations that have applied and have been permitted to use the facility may not alter their meeting times or days without notifying and receiving permission from the APC Property Manager.
- 2. Hold Harmless Agreement**
Applicant agrees to use the APC facilities at their own risk. Applicant further agrees to indemnify, defend, and hold harmless APC, its officers, agents, elders, pastors, and employees and volunteers against any and all claims, demands, damages, costs, injuries, expenses of any nature including court costs and attorney fees arising out of or resulting from the applicant's use of APC's property, equipment or facilities.
- 3. Insurance**
Non-profit groups/organizations applying to use APC facilities for non-APC related events will be required to furnish proof of liability insurance. Any third party, for profit business doing business on APC property, including caterers, must provide evidence of adequate insurance as determined by APC's independent insurance agent.
- 4. APC Events Priority**
Normally facilities will only be available for non-APC events when church sponsored events have not been pre-scheduled. Once reserved, the APC sponsored event or ministry meeting will have priority. All reservations for non-APC events are subject to availability and approval. The APC Property Manager will place an event on the master calendar, only after an application is approved. An APC sponsored event is defined as any event requested by any APC ministry leader for an activity related to that ministry or a non-APC group that has been approved by the APC Property Manager and/or Property Committee. An APC member may also request facility use for family or personal social events (provided they are not for profit).
- 5. Alcoholic Beverages**
No alcohol is permitted in the parking lot or in any other area of the facilities. If any person violates these rules, they will be asked to leave the function immediately.

6. Child Care

Our policy prohibits the use of privately hired babysitters to care for the children of the guests. APC has childcare workers who are screened, as well as trained in first aid and safety, who can be scheduled to care for the children. APC childcare workers will follow APC Nursery procedures and APC Child Protection Policy. Childcare service can be requested for a fee using the Facility Use Request and Agreement.

7. Other Uses

Other areas of the facility may be in use during an event or activity by other groups or persons. Courtesy and respect towards all other facility users are expected. The user agrees to vacate the premise at the end of the pre-reserved time.

8. Smoking, Illegal Substances, and Weapons

Smoking, use of any illegal drugs, or other controlled substance is not allowed on church property. No firearms or other weapons are allowed on church property unless they are in the possession of law enforcement personnel.

9. Event Hours

Events should normally end no later than 10:00 PM. The building curfew is 11:00 PM. Any cleanup the applicant is responsible for must be completed before building curfew. This is necessary as the room may need to be reset and custodial services completed for the following day's events.

10. Staff Representative

Contact information for an APC Staff Representative will be available to all event leaders. They are available to provide facility assistance and to answer questions. They will also provide any special instructions for facility use, such as opening and closing the building, when required. The APC Staff Representative has the authority to stop any inappropriate activity or to stop any event or activity and clear the facility, as they deem necessary, for safety or security reasons, or if non-allowed or inappropriate activities are occurring. The APC Staff Representative may, at his/her discretion, choose to provide a single warning prior to cancellation of the activity or event. Prior to usage of the facility, the APC Staff Representative will review guidelines, rules, and safety/security requirements with the applicant's on-site coordinator for the event. Should an emergency occur during an event, the applicant's on-site person responsible for the event is required to follow evacuation and/or security/safety rules, call 911 when necessary and to advise the APC Staff Representative of any accident, injury, breakage, or emergency as soon as feasible, possibly after the incident. Weddings require coordination with APC's wedding coordinator and custodial service. The assigned wedding coordinator will provide a Wedding Information Booklet and Wedding Coordinator's Information Sheet. These will contain specific facilities use guidelines and input for wedding parties.

11. Food and Drinks

Food and beverages are not permitted in the Sanctuary. Food and beverages are permitted in other parts of the facility provided they do not require open flame for heating/warming and are disposed of properly.

12. Outside Vendor Provided Equipment

If rental or other equipment or decorations are being delivered, they must be delivered after the start time reserved for the event and be picked up prior to the end of the event reservations end time. Items may not be left on APC premises overnight without pre-approval. Extension cords cannot be strung across rooms or doorways and cannot be covered by floor mats. APC is not responsible for damage, loss, or security of any such materials or equipment.

13. APC Provided Equipment

Limited APC audio/visual (AV) equipment is available for use and must be reserved through the Facility Use Request and Agreement. Equipment available for use without special permission or training consists of television monitors, VHS tape players, DVD players, and a video projector.

Although APC owns or has access to equipment that is more complex than the items listed above, its use requires a combination of permission, training, and/or the availability of one of APC's AV technicians. Discuss your needs with the APC Property Manager to ascertain next steps in evaluating your request.

14. Candles

Fire restrictions limit the use of open flamed devices, including candles, and are not allowed in any part of the facility. Exceptions are made for special events and use in the sanctuary. Examples of exceptions are: Christmas Eve service, wedding ceremonies, or chancel use. Generally, candles should be placed in a "stable" holder with at least 12" minimum clearance around them and should be supplied by APC. Any and all exceptions must be granted through the APC Property Manager.

15. Other Decorations

A staff representative must approve of all decorations in advance of the event. No nails, tacks, or tape (exception: Blue Painter's Tape) on walls or windows of the facility are allowed. No smoke machines, misting devices, or fireworks of any kind may be used within the facility, unless pre-approved. Helium and other balloons are allowed, but the applicant is responsible for removal, as well as any other decorations, at the end of the event. If confetti type materials are used, the applicant is responsible for complete clean up of such at the end of the event. No use of birdseed or rice is allowed inside or outside APC.

16. Emergencies, Safety, and Security

The applicant and all guests are responsible for following safety and security guidelines. Please use good judgment. Monitor and provide responsible supervision for the event. Stop unsafe or inappropriate activities. Posted evacuation maps are provided in strategic locations. In case of fire or other emergency, evacuate the facility immediately and call 911. Observe good safety practices when going to the parking lot or trash dumpster late at night. Drive and park in a safe manner in the APC parking areas. Always lock vehicles and keep valuables out-of-sight. If you observe a security concern, notify the church office or staff representative, or if there is immediate danger or an urgent situation, call the police. Applicant is responsible for any and all injuries and/or illnesses resulting from any aspect of the event.

17. Damages

The applicant is responsible for all damage resulting from any function, including the facility, building, breakage, damage to kitchen appliances, dishes, glassware, childcare facilities and equipment, or any other equipment (sound, projector, etc.). All such breakage or damage is required to be reported to the staff representative. Cost of damages billed to the applicant shall be the actual or estimated cost of replacement or repair.

18. Animals

Animals and pets are not allowed on the church premises, except for disability assistance animals, unless a request is made directly to and approved by the APC Property Manager. Request and approval **MUST** be in writing. Email is an acceptable form of communication.

19. Parking Lot

APC accepts no responsibility for the loss of or damage to vehicles on APC grounds or for loss or damage to accessories or contents. Fees for any vehicle towed will be solely the owner's responsibility. APC does not provide exclusive use of the APC parking lot. This includes weddings and memorials.

20. Designated Area

Organizations are restricted to the area of the church approved for use. They may not roam or use other areas without prior approval.

21. Setup and Teardown

The setup of facilities and teardown of the room(s) are the responsibility of the group requesting the room(s). If furniture needs to be moved, only APC staff can approve movement of furniture and/or equipment. **No** moveable walls may be moved by anyone except the Property Manager or his designee. All trash or debris should be deposited in the trash receptacle in the area reserved. In the event the Session approves an activity which it deems to be consistent with the church mission or to the benefit of the church and is an exception to the non-profit use only rule, the group and/or individual(s) receiving financial gain are required to provide their own set-up and clean-up staff.

22. Supervision of Minors

Children in attendance must be under the control of their parents or adults at all times and are not permitted to roam freely on church property. All children's or youth activities will be supervised by a minimum of two (2) adults over the age of 21.

23. Publicity and Promotions

Any outside group using publicity material and/or making public service announcements in which the APC name and/or address is used must have prior approval by the Session. The user with the approval of the Session must handle the sale of admission tickets to the event. The church staff must approve all postings for the event. Under no circumstance are any postings permitted to be affixed to any of the walls throughout the facility using any method including tape, staples, nails, glue, thumbtacks, etc.

24. Kitchen Use

Use of the APC kitchen is permitted with the following conditions:

- No unsupervised minors are allowed in the kitchen at any time.
- All dishes are to be washed, dried, and put away.
- No sharp knives are to be left in soaking tubs or on counters. Always clean and return sharp knives to their respective storage locations.

- All surfaces including counter, stove, sinks, and dining/serving/prep tables are to be cleaned with available supplies.
- Leftovers are not to be left in the refrigerator unless labeled and notification sent to Chef Doug that they are in the walk-in refrigerator.
- All garbage is to be removed to the dumpster outside.
- All stoves, ovens, and other appliances must be operated in accordance with posted instructions and turned off properly.
- Kitchen floors are to be left free of food crumbs and sticky spots.
- Fellowship Hall flooring can be cleaned with the broom and dustpan available in the kitchen.
- If cloth tablecloths and napkins are used, place soiled ones in a large black bag, close bag, and label bag indicating soiled tablecloths and napkins for washing.
- All tables, chairs, and serving tables are to be cleaned by the applicant.
- Any outside catering service must be pre-approved as part of the application process and must be indicated on the *Facility Use Request and Agreement*. They must also provide a copy of proof of Bodily Injury and Property Damage liability insurance.
- No alcoholic beverages are permitted.
- Certain Kitchen equipment is available for offsite use by APC members but must be checked out by either Chef Doug or Kitchen Coordinator.
- Kitchen disposable supplies (napkins, plates, cups, silverware) are not available for use except for Sunday Morning Breakfasts, First Wednesday dinners, specific church approved receptions or dinners. Groups within the church otherwise must supply their own items for use during on of their events.
- The last person using the kitchen for the day is responsible for turning off and shutting down the kitchen (also applies to usage for a particular activity or event). There is a checklist posted in the kitchen listing all of the things that should be checked and turned off.

25. Heating and Air Conditioning

Heating and air conditioning is controlled with digital, programmed thermostats. They are pre-programmed by the APC Property Manager based on the time of year and facility use throughout the week. Thermostats should not be changed from their pre-programmed settings.

26. Playground Usage

There are three playgrounds on APC property – two Day School playgrounds and the primary Christian Education building playground. The primary playgrounds may be used only under the supervision of an adult. APC is not responsible for any injuries resulting from the use of the playground.

27. Closing Checklist

The applicant will be given a building condition checklist to be completed after use of the facility. Failure to leave the facility in satisfactory condition will result in losing the privilege to use the facility in the future and may result in additional cleaning fees.

I. Facility Use Application Process

All parties interested in scheduling an event at APC must complete an Application Package that includes the following items:

1. Facility Use Request and Agreement
2. Certificate of Liability and Property Damage insurance coverage

The applicant's package must be submitted to the church office a minimum of 2 weeks prior to the event. The appropriate church staff will meet with the applicant to review conditions of church usage, expectations, and needs for the event, and to understand room setup/cleanup requirements. A schedule of fees for building usage, custodial, childcare and/or technical service, and other financial commitments necessary for the event, will be given to the applicant at that time.

J. Fee Schedule

All usage fees are to be paid through the APC church office. The appropriate fees must be paid in full when the event is confirmed by the church and placed on the calendar. There is a cancellation fee of 50% that is not refundable if notification of cancellation is within one week of the event. Cancellations prior to one week before the event will be refunded in full. Fees cover setting up and tearing down tables, chairs, and audio/visual equipment by APC staff.

Members are defined as active APC members as indicated on the church’s active/inactive member roll.

GENERAL FACILITY FEES ARE AS FOLLOWS:

Room	Member**	Non-Member
Sanctuary	None	\$500/2 hours
Fellowship Hall	None	\$150/hour
Gym	None	\$200/day or \$100/hour
Adult Classrooms	None	\$50/hour

****Non-Profit Use Only.** Members who wish to use the facilities for an activity that is **For-Profit** must get both Property Committee and Session approval. A fee will be determined if/when approval is granted.

ADDITIONAL CUSTODIAL FEES

The Facility Fees above cover normal and customary custodial services. They do not include custodial services for kitchen cleanup (see applicants responsibilities in Section H – Kitchen Use #24) or excessive cleaning of other facilities. In the event that excess cleanup is required, the applicant may be assessed additional custodial fees as listed below.

Weeknight (M – TH)	Custodial Fees \$30/hour
Weekend (F – SU)	Custodial Fees \$45/hour

AUDIO/VISUAL FEES

A/V technician for member or non-member events \$50 per technician per hour

NOTE: All A/V technician services are contingent upon technician availability.

CHILDCARE FEES (minimum of 2 workers must be employed)

Childcare worker for member and non-member events is \$15 per hour per worker. The form for requesting childcare can be found on the APC Documents Library under the “About Us” heading on the APC website at www.alpharettapres.com.

WEDDING FACILITY FEES

For the most up-to-date information, please refer to the APC Documents Library under the “About Us” heading on the APC website at www.alpharettapres.com.
