3. Do not park in the lined spaces next to handicapped spaces at any time.
4. Please refrain from using cell phones until you are clear of APC property, for the safety of our students.
5. Please be considerate of the carpool line when passing the back side of the property.
6. Do not attempt to exit the carpool line until your child has been safely removed and all cars in front of you have left the area.
7. Please be aware of your surroundings and do not leave young children or valuables in your car at any time.
8. For the safety of your children, do not move forward in the carpool line with your car or van doors open.

NO PARKING IS ALLOWED in the spaces designated with a PAINTED blue HANDICAP symbol by anyone without a handicap decal.
