

Consider Donating Appreciated Stocks/Bonds/Mutual Funds

You may want to consider donating stock, bonds or mutual funds that have appreciated to fulfill your Estimate of Giving or otherwise make a gift to the Church. *Gifts of stock may provide donors with a double tax benefit.* **First, you may be able to claim a charitable donation on the current amount of the donated stock, not just the amount you originally paid for it. Additionally, you may be able to avoid paying taxes on the appreciated value of the stock.**

There can be some tax consequences, so it makes sense to consult your tax advisor. Consider this approach to help Alpharetta Presbyterian and save on your taxes.

Should you decide this is something you might want to do, please fill out the form below and return to Laura Moore, Finance Manager, in the church office: laura@alpharettapres.com.
